NECESSITY OF THE BUY-BACK

- iii. The Buy-back may help in improving return on equity, by reduction in the equity base, thereby leading to long term increase in shareholders’ value. The Buy-back will not in any manner impair the ability of the Company to pursue growth opportunities or meet its cash requirements for business operations and for continued capital investment, as and when required;
- iv. The Buy-back gives an option to the shareholders holding equity shares of the Company, who can choose to participate and get cash in lieu of equity shares to be accepted under the Buy-back offer or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post the Buy-back, without any additional investment.

Record Date and Ratio of Buy-back as per the Buy-back Entitlement in each Category:

The Company has approved Tuesday, May 27, 2025 as the Record Date for the purpose of determining the Buy-back Entitlement and the names of the Shareholders, who are eligible to participate in the Buy-back.

The Equity Shares to be bought back as a part of this Buy-back is divided into two categories:

- (i) Reserved category for Small Shareholders ("**Reserved Category**"); and
- (ii) General Category for other Eligible Shareholders ("**General Category**").

As defined in the Buy-back Regulations, Small Shareholder includes a shareholder, who holds shares whose market value, on the basis of closing price on the recognized stock exchange registering the highest trading volume, as on Record Date, is not more than ₹ 2,00,000/-. For the purposes of classification of a shareholder, as a "small shareholder", multiple demat accounts having the same permanent account number, in case of securities held in the demat form, or joint holders with identical sequence of names, in case of securities held in the physical form, are to be clubbed together. As on Record Date, the closing price on NSE, was ₹ 101.25/- per Equity Share. Accordingly, all Eligible Shareholders holding not more than 1,500 Equity Shares as on the Record Date are classified as 'Small Shareholders' for the purpose of the Buy-back.

Based on the above definition, there are 722 Small Shareholders in the Company with aggregate shareholding of 8,65,900 Equity Shares as on Record Date, which constitutes 7.52% of the total Equity Shares in the total issued and paid-up Equity Share capital of the Company and 187.91% of the maximum number of Equity Shares which the Company proposes to buy back as a part of this Buy-back.

In compliance with Regulation 6 of the Buy-back Regulations, the reservation for the Small Shareholders, will be higher of:

- (i) 15% of the number of Equity Shares which the Company proposes to Buy-back, being 69,120 Equity Shares; or
- (ii) The number of Equity Shares entitled as per their shareholding as on Record Date i.e. $(8,65,900/1,15,08,800 \times 4,60,800)$, being 34,670 Equity Shares.

All the outstanding fully paid-up Equity Shares excluding shares held by Promoter and Promoter Group have been used for computing the Buyback Entitlement of Small Shareholders as the Promoter and Promoter Group do not intend to participate in the Buyback.

Based on the above and in accordance with Regulation 6 of the Buy-back Regulations, 69,120 Equity Shares have been reserved for Small Shareholders. Accordingly, General Category for all other Eligible Shareholders shall consist of 3,91,680 Equity Shares.

Based on the above Buy-back Entitlements, the Ratio of Buy-back for both categories is decided as below:

Category of Shareholders	Ratio of Buy-back*
Reserved category for Small Shareholders	36 Equity Shares for every 451 Equity Shares held on the Record Date
General category for all other Eligible Shareholders	29 Equity Shares for every 788 Equity Shares held on the Record Date

** The ratio of Buy-back indicated above is approximate and provides an indication of the Buy-back Entitlement. Any computation of entitled Equity Shares using the above ratio of Buy-back may provide a slightly different number due to rounding-off. The actual Buy-back Entitlement for reserved category for Small Shareholders is 7.98244600993186% and general category for all other Eligible Shareholders is 3.68019994550358%. The exact Entitlement as per the holding as on Record Date shall be communicated electronically to the Eligible Shareholders along-with the Letter of Offer.*

Clubbing of Entitlement

In accordance with Regulation 9(ix) of the Buy-back Regulations, in order to ensure that the same Eligible Shareholder with multiple demat accounts/ folios do not receive a higher entitlement under the Small Shareholder category, the Equity Shares held by such Eligible Shareholder with a common Permanent Account Number ("PAN") shall be clubbed together for determining the category (Small Shareholder or General) and entitlement under the Buy-back. In case of joint shareholding, the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical shall be clubbed together. In case of Eligible Shareholders holding physical shares, where the sequence of PANs is identical, the Company will club together the Equity Shares held in such cases. Similarly, in case of Eligible Shareholders holding physical shares, where the PANs of all joint shareholders are not available, the Registrar will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, insurance companies, foreign institutional investors/ foreign portfolio investors etc. with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are held for different schemes/ sub-accounts and have a different demat account nomenclature based on information prepared by the Registrar and Transfer Agent (the "Registrar") as per the shareholder records received from the depositories. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body – broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

Fractional Entitlements

If the Buy-back Entitlement under the Buy-back, after applying the abovementioned ratios to the Equity Shares held on Record Date, is not a round number (i.e. not in the multiple of one Equity Share), then the fractional entitlement shall be ignored for computation of Buy-back Entitlement to tender Equity Shares in the Buy-back for both categories of Eligible Shareholders.

On account of ignoring the fractional entitlement, those Small Shareholders who hold 12 or less Equity Shares as on Record Date will be sent a Tender Form with zero entitlement. Such Small Shareholders are entitled to tender additional Equity Shares as part of the Buy-back and will be given preference in the Acceptance of one Equity Share, if such Small Shareholders have tendered for Additional Equity Shares. The Company shall make best efforts subject to SEBI Buyback Regulations in accepting Equity Shares tendered by such Eligible Shareholders to the extent possible and permissible.

Basis of Acceptance of Equity Shares validly tendered in the Reserved Category for Small Shareholders

Subject to the provisions contained in this Letter of Offer, the Company will accept the Equity Shares tendered in the Buy-back by the Small Shareholders in the Reserved Category in the following order of priority:

- a) Acceptance of 100% Equity Shares from Small Shareholders in the Reserved Category, who have validly tendered their Equity Shares to the extent of their Buy-back Entitlement or the number of Equity Shares tendered by them, whichever is less.
- b) Post the acceptance as described above, in case there are any Equity Shares left to be bought back from Small Shareholders in the Reserved Category, the Small Shareholders who were entitled to tender zero Equity Shares (on account of ignoring the fractional entitlement), and have tendered Additional Equity Shares as part of the Buy-back, shall be given preference and one share each from the Additional Equity Shares applied by these Small Shareholders shall be bought back in the Reserved Category.
- c) Post the acceptance as described above, in case there are any Equity Shares left to be bought back in the Reserved Category, the Additional Equity Shares tendered by the Small Shareholders over and above their Buy-back Entitlement, shall be accepted in proportion of the Additional Equity Shares tendered by them and the Acceptance per Small Shareholder shall be made in accordance with the Buy-back Regulations, that is, valid Acceptances per Small Shareholder shall be equal to the Additional Equity Shares validly tendered by the Small Shareholder divided by the total Additional Equity Shares validly tendered and multiplied by the total pending number of Equity Shares to be accepted in Reserved Category. For the purpose of this calculation, the Additional Equity Shares taken into account for such Small Shareholders, from whom one Equity Share has been Accepted in accordance with the above, shall be reduced by one.
- d) Adjustment for fractional results in case of proportionate Acceptance, as described above:
 - i. For any Small Shareholder, if the number of Additional Equity Shares to be Accepted, calculated on a proportionate basis is not in the multiple of one and the fractional Acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
 - ii. For any Small Shareholder, if the number of Additional Equity Shares to be Accepted, calculated on a proportionate basis is not in the multiple of one and the fractional Acceptance is less than 0.50, then the fraction shall be ignored.

In case of any practical issues, resulting out of rounding-off of Shares or otherwise, the Buy-back Committee or any person(s) authorized by the Buy-back Committee will have the authority to decide such final allocation with respect to such rounding-off or any excess of Equity Shares or any shortage of Equity Shares after allocation of Equity Shares as set out in the process described in section entitled “*Process and Methodology of Buy-back*” of this Letter of Offer.

Basis of Acceptance of Shares validly tendered in the General Category

Subject to the provisions contained in this Letter of Offer, the Company will accept the Equity Shares tendered in the Buy-back by all other Eligible Shareholders in the General Category in the following order of priority:

- a) Acceptance of 100% Equity Shares from other Eligible Shareholders in the General Category who have validly tendered their Equity Shares, to the extent of their Buy-back Entitlement, or the number of Equity Shares tendered by them, whichever is less.
- b) Post the Acceptance as described above, in case there are any validly tendered unaccepted Equity Shares left to be bought back in the General Category, the Additional Equity Shares tendered by the other Eligible Shareholders over and above their Buy-back Entitlement shall be Accepted in proportion of the Additional Equity Shares tendered by them and the acceptances per shareholder shall be made in accordance with the Buy-back Regulations, i.e. valid acceptances per shareholder shall be equal to the Additional Equity Shares validly tendered by the Eligible Shareholders divided by the total Additional Equity Shares validly tendered in the General Category and multiplied by the total pending number of Equity Shares to be Accepted in General Category.
- c) Adjustment for fractional results in case of proportionate acceptance as described above:
 - i. For any Eligible Shareholder, if the number of Additional Equity Shares to be Accepted, calculated on a proportionate basis is not in the multiple of one and the fractional Acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.

- ii. For any Eligible Shareholder, if the number of Additional Equity Shares to be Accepted, calculated on a proportionate basis is not in the multiple of one and the fractional Acceptance is less than 0.50, then the fraction shall be ignored.

The market lot for trading of Equity Shares is 1200 Shares and in multiples of 1200 Shares. Post acceptance of the shares under the Buy-back, the shareholders may be left with the odd lots of shares. The same will be subject to the prevailing regulations.

In case of any practical issues, resulting out of rounding-off of Shares or otherwise, the Buy-back Committee or any person(s) authorized by the Buy-back Committee will have the authority to decide such final allocation with respect to such rounding-off or any excess of Equity Shares or any shortage of Equity Shares after allocation of Equity Shares as set out in the process described in section entitled “*Process and Methodology of Buy-back*”.

Basis of Acceptance of Equity Shares between categories

- a. In case there are any Equity Shares left to be bought back in one category (“**Partially Filled Category**”) after Acceptance in accordance with the above described methodology for both the categories, and there are additional unaccepted validly tendered Equity Shares in the second category, then the Additional Equity Shares in the second category shall be Accepted proportionately (valid Acceptances per Eligible Shareholder shall be equal to the additional outstanding Equity Shares validly tendered by a Eligible Shareholder in the second category divided by the total additional outstanding Equity Shares validly tendered in the second category and multiplied by the total pending number of Equity Shares to be bought back in the Partially Filled Category).
- b. If the Partially Filled Category is the General Category, and the second category is the Reserved Category, then for the purpose of this calculation, the Additional Equity Shares tendered by such Small Shareholders, from whom one Equity Share has been accepted in accordance with “*Basis of Acceptance of Equity Shares validly tendered in the Reserved Category for Small Shareholders*” will be reduced by one Equity Share.
- c. Adjustment for fractional results in case of proportionate Acceptance, as described above:
 - i. For any Eligible Shareholder, if the number of Additional Equity Shares to be Accepted, calculated on a proportionate basis is not a multiple of one and the fractional Acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
 - ii. For any Eligible Shareholder, if the number of Additional Equity Shares to be Accepted, calculated on a proportionate basis is not in the multiple of one and the fractional Acceptance is less than 0.50, then the fraction shall be ignored.
 - iii. In case of any practical issues, resulting out of rounding-off of Shares or otherwise, the Board or any person(s) authorized by the Board will have the authority to decide such final allocation with respect to such rounding-off or any excess of Equity Shares or any shortage of Equity Shares after allocation of Equity Shares as set out in the process described in Paragraph Process and Methodology for the Buy-back.

For avoidance of doubt, it is clarified that, in accordance with the clauses above:

- Equity Shares tendered by any Eligible Shareholder over and above the number of Equity Shares held by such Eligible Shareholder as on the Record Date shall not be considered for the purpose of acceptance.

In case of any practical issues, resulting out of rounding-off of Equity Shares or otherwise, the Buy-back Committee or any person(s) authorized by the Buy-back Committee will have the authority to decide such final allocation with respect to such rounding-off or any excess of Equity Shares or any shortage of Equity Shares after allocation of Equity Shares as set out in the process described in section entitled “*Process and Methodology of Buy-back*” of this Letter of Offer.

THEREFORE, SHAREHOLDERS CANNOT RELY ON THIS ADVICE AND THE SUMMARY TAX IMPLICATIONS RELATING TO THE TREATMENT OF INCOME TAX IN THE CASE OF BUYBACK OF EQUITY SHARES LISTED ON THE STOCK EXCHANGE SET OUT BELOW SHOULD BE TREATED AS INDICATIVE AND FOR GUIDANCE PURPOSES ONLY.

APPLICABLE PROVISIONS UNDER INCOME TAX ACT 1961 IN RELATION OF BUY BACK OF LISTED EQUITY SHARES

GENERAL

Indian Income tax follows tax year period from 1st April to 31st March. The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. A person who is a tax resident of India is liable to taxation in India on his worldwide income, subject to certain prescribed tax exemptions provided under the Income Tax Act 1961 ("ITA").

A person who is treated as a non-resident for Indian tax purposes is generally liable to tax in India only on his/her India sourced income or income received by such person in India. *Vide* Finance Act, 2020, certain non-resident individuals are deemed to be resident in India upon triggering of certain conditions. Deemed residents would be liable to pay tax in India only on their Indian sourced income or income from business or professional controlled in India.

In case of shares of a company, the source of income from shares would depend on the 'situs' of the shares. As per judicial precedents, generally the "situs" of the shares is where company is "incorporated" and where its shares can be transferred. Accordingly, since the Company is incorporated in India, the shares of the Company would be "situated" in India and any gains arising to a non-resident on transfer of such shares should be taxable in India under the ITA subject to any specific exemption in this regard. Further, the non-resident can avail the beneficial tax treatment prescribed under the relevant Double Tax Avoidance Agreement ("DTAA") subject to satisfaction of the relevant conditions including non-applicability of General Anti-Avoidance Rule ("GAAR") and providing and maintaining necessary information and documents as prescribed under the ITA as well as satisfying the relevant conditions under the respective DTAA including anti-abuse measures under the MLI, if applicable.

CLASSIFICATION OF SHAREHOLDERS

Section 6 of the ITA, determines the residential status of an assessee. Accordingly, shareholders can be classified broadly in two categories as below:

a) Resident Shareholders being:

- Individuals, Hindu Undivided Family (HUF), Association of Persons (AOP) and Body of Individuals (BOI), Firm, LLP
- Others (corporate bodies): Company, Other than Company

b) Deemed Resident Shareholder:

- A non-resident individual being a citizen of India who is not liable to tax in any other country or territory by reason of domicile, residence or any other criteria of similar nature and has total income other than foreign sourced income exceeding Rs 15 lakh during the tax year.

c) Non-Resident Shareholders being:

- Non-Resident Indians (NRIs)
- Foreign Institutional Investors (FIIs) / Foreign Portfolio Investors (FPIs)
- Others:
 - Company
 - Other than Company

BUY-BACK OF SHARES

- a) With respect to buy-back transactions that occurred till 30 September 2024, tax on buy-back of shares was governed by the provisions of Section 115QA of ITA, wherein the Company making the buy-back was liable to pay tax on the distributed income and the income arising to the shareholders on such buyback was exempt from tax under section 10(34A) of the ITA.

Provisions w.e.f. 1st October 2024

- b) Finance (No.2) Act, 2024 has made amendments in relation to buy-back of shares w.e.f. 1st October 2024, shifting the tax liability in the hands of the shareholders (whether resident or non-resident) and the Company is not required to pay tax on the distributed income.
- c) The sum paid by a domestic company for purchase of its own shares shall be treated as dividend in the hands of shareholders. No deduction is allowed against such dividend while computing the income from other sources.
- d) The cost of acquisition of the shares which has been bought back by the company shall be treated as capital loss in the hands of the shareholder and allowed to be carried forward and set off against capital gains as per the provisions of the ITA.

TAX DEDUCTION AT SOURCE

The company is required to deduct tax at source at 10% under section 194 of the ITA in respect of the consideration payable to Resident shareholders on buy-back of the shares.

In respect of consideration payable to Non-resident shareholders, tax shall be withheld at the rate of 20% as per the ITA or as per the rate in the respective Tax Treaty, whichever is beneficial subject to availability of prescribed documents by such non-residents.

Provided as per the provisions of the Income Tax Act, Company is not required to deduct Tax at source on consideration payable to Individual Shareholder, if :-

1. The amount of consideration for the buyback and dividend payable by the company in aggregate during the financial year does not exceed ₹10,000; or
2. If the income is below the taxable limit and declaration in Form 15G (for individuals up to age of 60 years) or in Form 15H (for individuals above the age of 60 years) is received.

SECURITIES TRANSACTION TAX

Since the Buyback of shares shall take place through the settlement mechanism of the Stock Exchange, Securities Transaction Tax at 0.1% of the value of transaction will be applicable.

Caveat:

The summary of the tax considerations as above is based on our understanding of the current provisions of the tax laws of India, which are subject to change or modification by subsequent legislative, regulatory, administrative or judicial decisions.

Shareholders, who are non-residents in India, in respect of tax consequence (including capital gain tax, if any) in their state of residence, are required to consult their tax advisors for the applicable tax and the appropriate course of action that they should take considering the provisions of the relevant country or state tax law and provisions of DTAA where applicable.

The above note on taxation sets out the provisions of law in a summary manner only and does not purport to be a complete analysis or listing of all potential tax consequences of the disposal of equity shares. This note is neither binding on any regulators nor can there be any assurance that they will not take a position contrary to the comments mentioned herein. There can be no liability on the company or signing firm if any action is taken by the shareholder solely based on this tax summary. Therefore, shareholders cannot rely on this advice and the summary tax implications relating to the treatment of income tax in the case of buyback of equity shares listed on the stock exchange as set out above.
